DATE: 7/10/2023
TO: Supplier
FROM: Oshkosh Defense, LLC

SUBJECT: Supplier Non-Conforming Material

Dear Valued Supplier,

This notification is on behalf of Oshkosh Defense, LLC's Purchasing and Quality departments. We are informing all suppliers of policy updates and process reinforcement. Below are the policies and processes being addressed which are effective 7/10/23:

- Any Supplier caused reject for non-conforming material will go through the normal reject process notifying supplier of issue, which has an extended value of less than \$100 per event, will be auto scrapped and the cost debited back to the Supplier.
- Any rejected material deemed a Supplier non-conformance that has an extended value of \$100 or more per event will require an RMA to ship back to the Supplier's location or notification from supplier to scrap at Supplier expense. Failure to provide an RMA within two weeks of request will result in shipment of the material back to the Supplier's location, resulting in a debit to the Supplier, including the cost of the outbound freight.
- Level 2 PPAP documentation is required to be submitted into Reliance. In the event of a L2 PPAP rejection, the Supplier will be notified via material rejection and required to complete and resubmit the PPAP within 48 hours. Failure to do so within 2 weeks will result in shipment of the material back to the Supplier at the Supplier's expense; or Oshkosh Quality will complete the L2 PPAP in-house and the Supplier will be debited a standard cost of \$100 per hour.
- Level 3 PPAP documentation is required to be submitted into Reliance and approved by Oshkosh Defense prior to shipping. If material is received prior to L3 PPAP approval, the Supplier will be notified via material rejection and required to complete the L3 PPAP within 48 hours. Failure to do so within 2 weeks will result in shipment of the material back to the Supplier at the Supplier's expense, including the cost of the outbound freight.

This is an effort to reduce and eliminate administrative costs that would otherwise be passed along to the supplier.

Thank you for our continued support as a supplier to Oshkosh Defense.

Sincerely,

A handwritten signature in black ink that reads 'Travis Schmuhl'.
